

Stadt.Raum City.Space

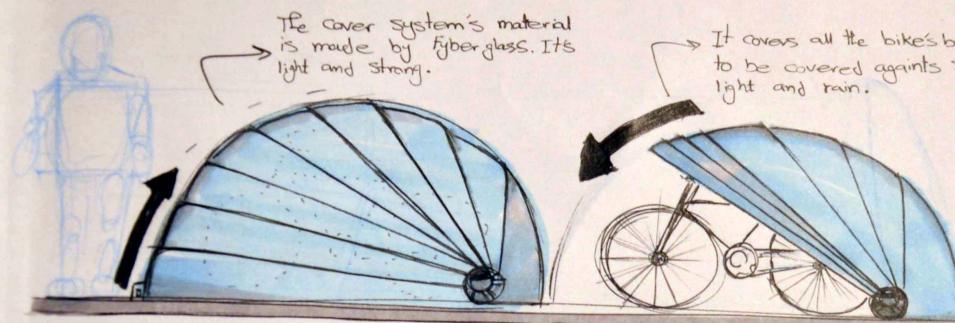

WIFI HUB SHELTER/SEATING

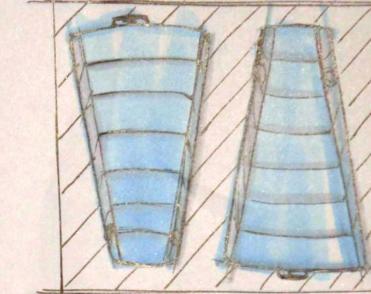

INSITUE

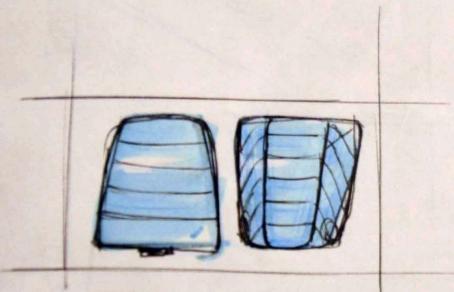

FINAL CONCEPT

→ The top view shows the shape. From the top. It's more tiny at the end and wider at the front because of the handles.

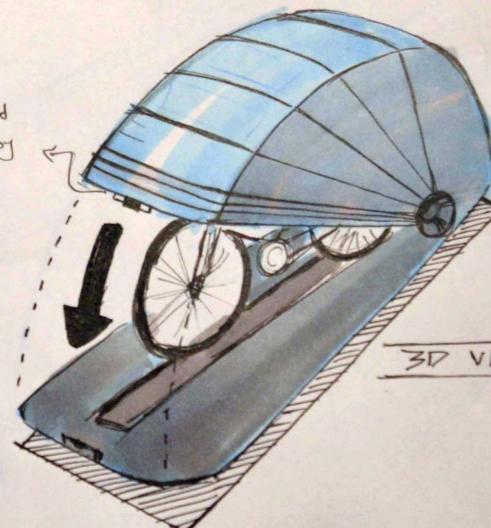

→ For taking less space, they can be installed upside down and prepare more usable space.

TOP VIEW

SIDE VIEW

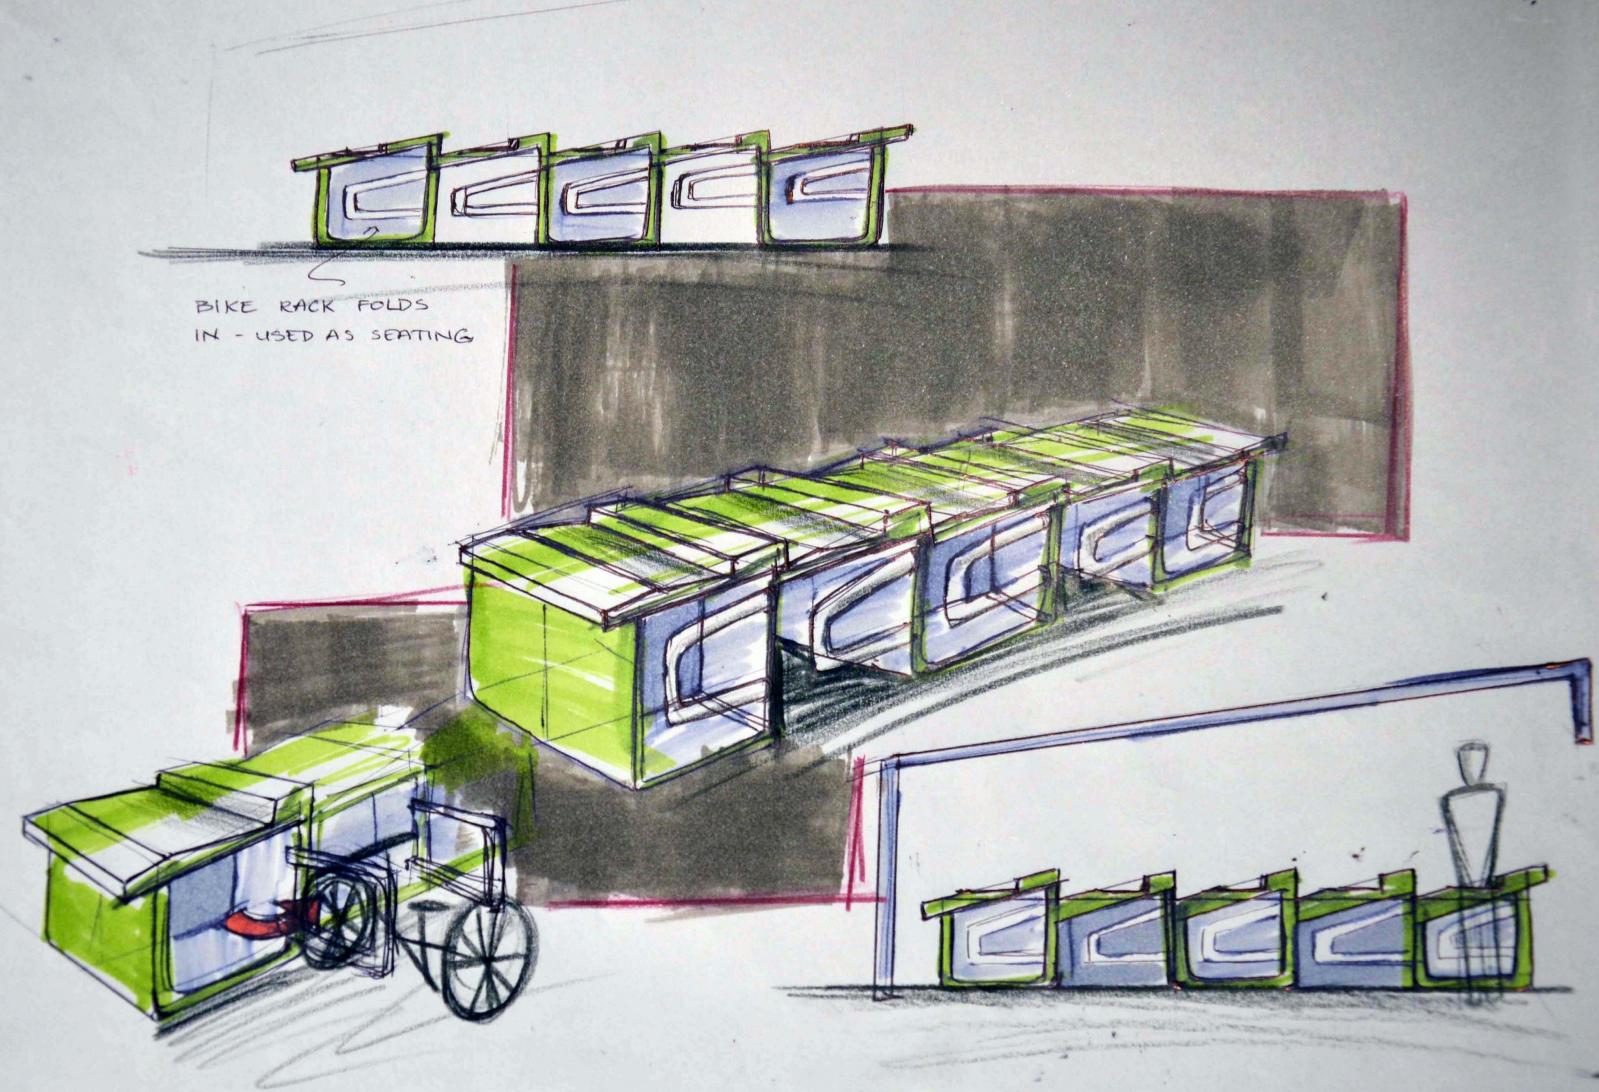

This system can be locked by hand and automatically by Entering of 4digd code.

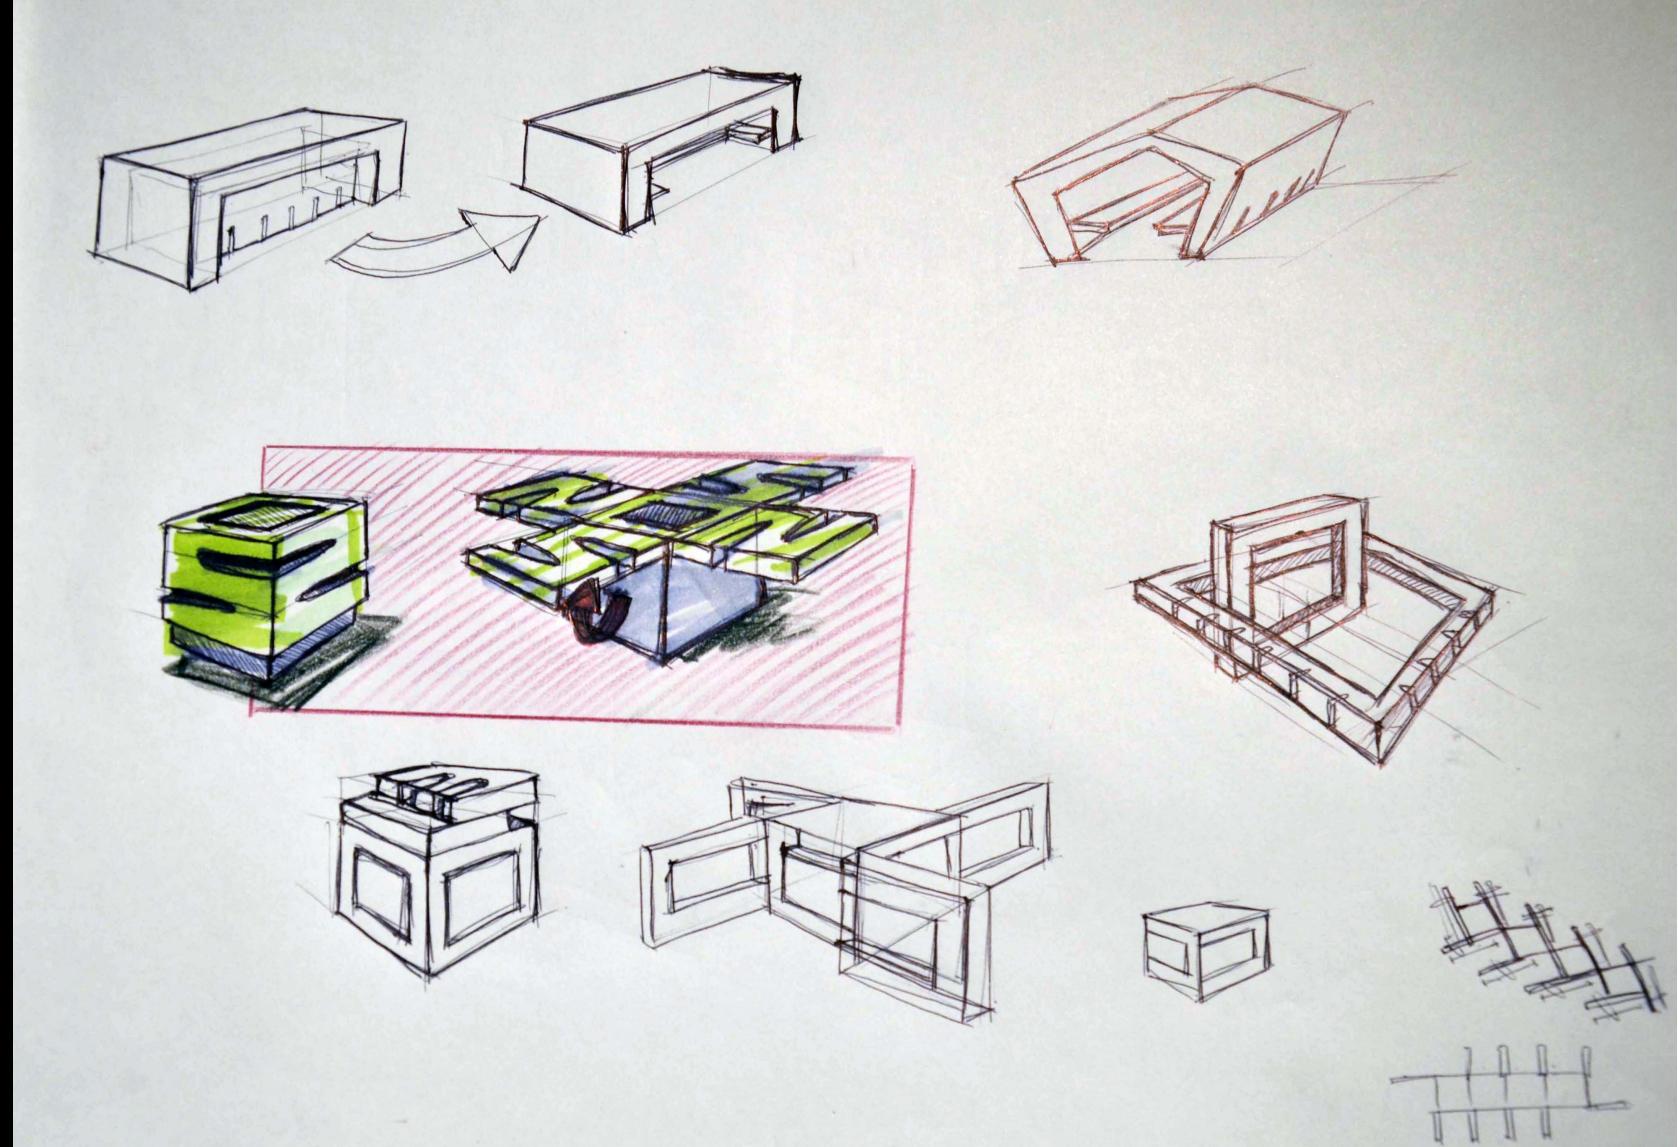

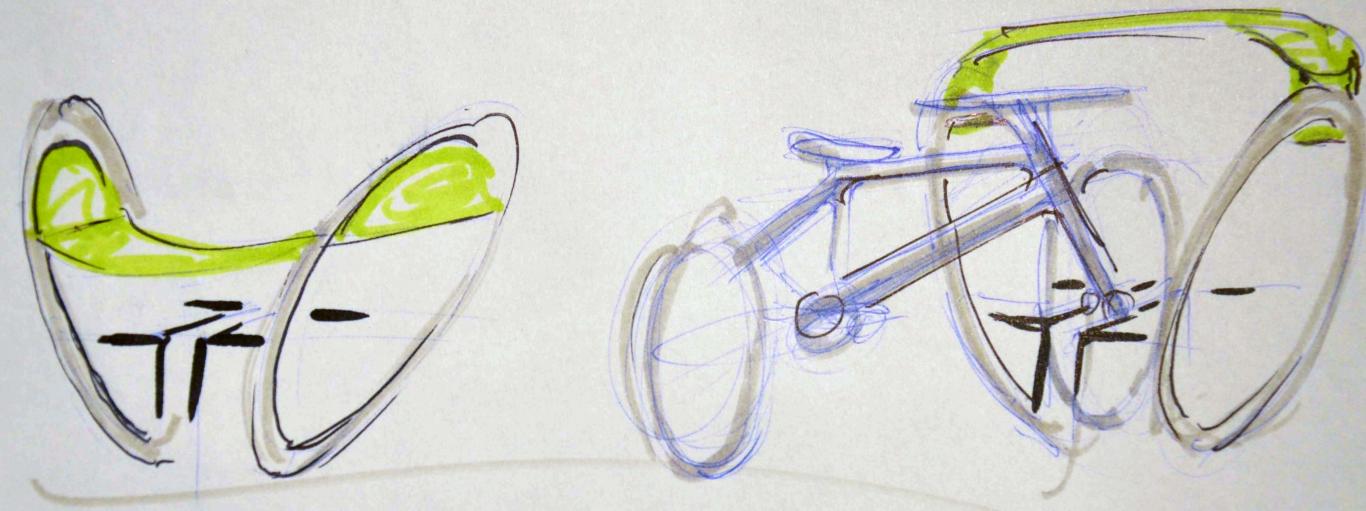

→ 3D view of the Cover Shows the Shape and the Function of this system.

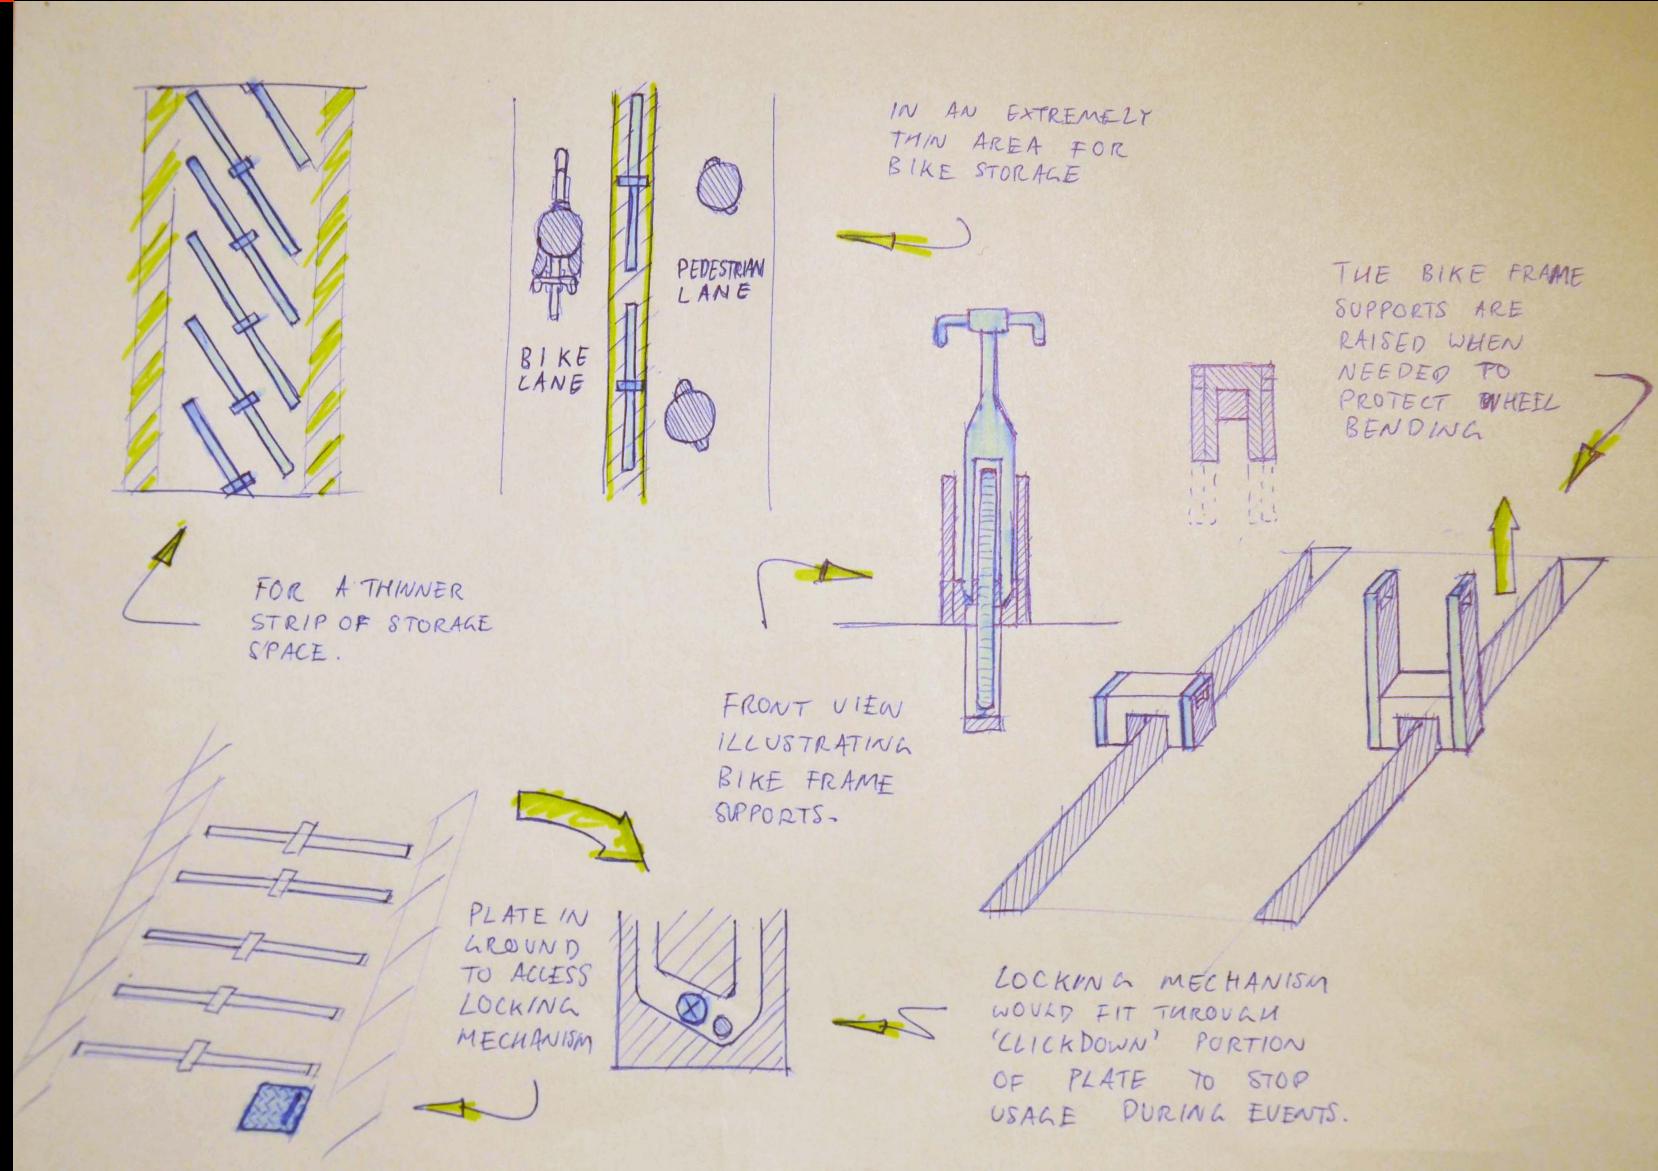

3D VIEW

BAHRMAN

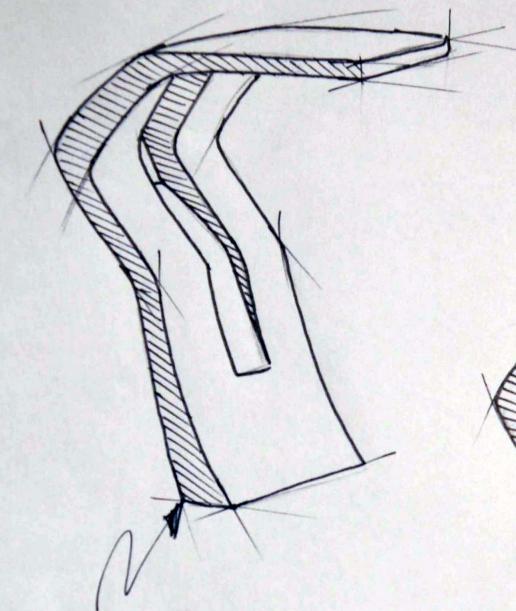

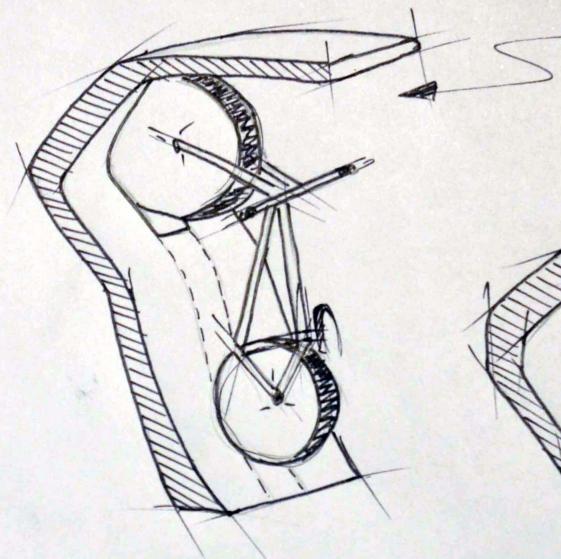

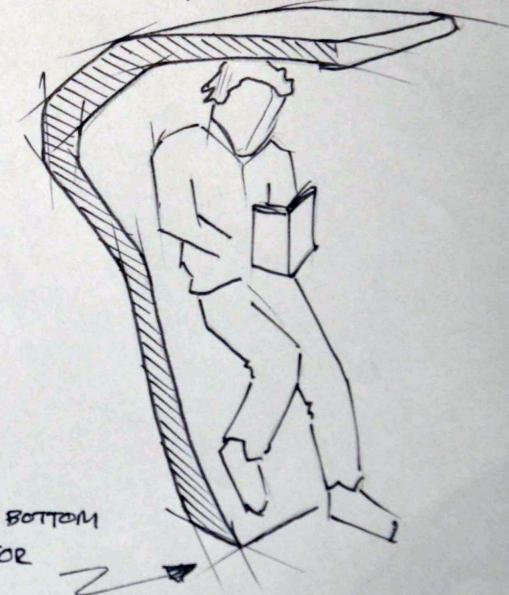

BIKE STORAGE.

HAS GROOVE/CHANNEL THAT RUNS DOWN THE MIDDLE OF THE BODY FOR STABILITY OF BIKE AND FOR AESTHETIC PURPOSES.

HOW IT CAN BE USED AS A DOUBLE FUNCTION, AS IN WINTER BIKES ARE NOT USED AS MUCH.

MAYBE HAVE BOTTOM FLICK OUT FOR EASIER USE.
